POMONA VALLEY ART ASSOCIATION

JANUARY 2016

Richard Martinez Concludes Exhibit in The PVAA Art Place

Richard's passion for art and connection to PVAA began at a very early age. When in 8th grade, he received an art award from the association. As many people know, that was just beginning of recognition and awards for his artistic achievements. Richard has received numerous awards throughout his lifelong career as an artist.

Richard Martinez is a well-known watercolor artist from Claremont and is a past board member of The National Watercolor Society (NWS) and also a coveted Signature Artist of Watercolor West. His art has been in many art exhibitions throughout southern California including The Ontario Art Museum, Claremont Forum, Laguna Art Association and many others.

After receiving his BA in Fine Arts at Cal State Los Angeles, he went on to earn his Masters Degree in Art Education at Claremont Graduate School. As a young man he received several scholarships for his talent, one of which took him to the distinguished Chouinard Art Institute (now California Institute of the Arts).

Deadline For PVAA First Juried Photography Exhibit is January 9

The January 9th deadline is quickly approaching for entry submission. A very reasonable entry fee of \$15 for each image has been created.

PVAA members will receive a fourth submission FREE! We hope to not only give a great show for our valued members, but also to reach out and expand

the PVAA community with great opportunities for artists of all levels of experience.

The prospectus contains full details on the submission process and exhibition information. It's available at ThePVAArtPlace.net website.

Jim Ellison Organizing Exciting European Art Traveling Tour

*I am looking for traveling companion(s)
for ONE of these two tours:*

- Art, History, and Faith in Paris & London,**
June 12-20, 2017 - Starting from \$3668 (all-inclusive)
<http://www.eo.travelwithus.com/tours/art-history-and-faith-in-paris-london#eotours>
- Art & Faith in Italy,**
June 19-29, 2017 - Starting from \$4848 (all-inclusive)
<http://www.eo.travelwithus.com/tours/art-and-faith-in-italy-#eotours>

According to Rondall Reynoso of Faith on View, the locations being visited have all been chosen to deal directly with issues of art and faith. Yet these tours have been intentionally designed to be open to people who are conservative, liberal, and non-religious. The tours are fast paced but there should be time for contemplation and there will definitely be time for good discussion. There are a couple of touristy things as well, but they are the minority of locations.

Though you can sign up by yourself, if you are interested in traveling with me please let me know at eliartist@yahoo.com.
